RE: Research at Madina Institute – Community-based Participatory Action Research

Approval Period: 20 February 2021 – 30 December 2021

The Research Ethics Committee of the Madina Institute hereby certifies the approval of the methodology of the above mentioned research project. The methodology involves the participation of the students in Community-based participatory action research module at Madina Institute in 2021.

The participants should be informed about the aim of the study and that participation in the study is voluntary. They should also be informed that should they for some reason want to withdraw from the study, they had the right to voluntarily do so at any time. Participants' privacy should always be respected, and information they share should be treated as confidential.

Any amendments, extension or other modifications to the protocol must be submitted to the Ethics Committee for approval.

The Committee must be informed of any serious adverse events and/or termination of the research.

Kind regards

Dr I Etbaigha

Senior Lecturer and Head of the Research committee
