If only they had been numbered, there will be a great number of ulamas from the begining of Islam in Southeast Asian region until recent time. Their fames are due to their big contribution of writing various Islamic books both in Arabic and Malay. Among those are Syeikh Dawud bin Abdullah al-Fatany, syeikh Abdul Kadir bin Abdul Rahman al-Fatany, syeokh wan Ahmad bin Mahmud zin Al-Fatany, syeikh Muhammad bin Ismail Dawudi al-Fatany or Syeikh Nik Mat Kecik and Syeikh Zainal Abidin bin Muhammad al Fatany or Syeikh Tun Minal.

C. RESULT AND DISCUSSION

1. Background Of Syeikh Tuan Minal

Syeikh Tuan Minal is famous ulama in Patani for his literary works. It is important to know his personality as summarized below:

2. Name and its descendant

His full name is Syeikh Zainal Abidin bin Muhammad bin Muhammad Dahlan bin Syeikh wan Syamsudin bin Syeikh Ja’far or syeikh Tuan Minal (Al-Fatany, 2009). However, there is no clear information about his birthday, death and ancestors form his mother line.

He is frequently well known as Tuan Minal there is no clear information on the pedigree of the nickname. According to Wan Muhammad Shaghir bin Abdullah, the title of Tuan Minal based on series of events between him and his pupils. One anecdotes says that when he was angry with his disciples, he always recited the verse of an-Nas and as he came to sixth verses “ minnal Jinnati wan Nas”, he make his voice got louder. Through time, the verse was made shorter into “minna al”. From second story, his name is derived from his name Zainal Abidin. But this opinion is far from being true and it tends to be weak (W. M. S. Abdullah, 1991).

His familiy ancestors go far into the family of Syeikh Ja’far with wan Jamilah al-Syandaniah as well as the descendant of Syeikh Dawud bin Abdullah al-Fatany (look at figure 1)
From the table it is evident that Syeikh Tuan Minal and Syeikh Dawud I. Fatani are the fourth descendant of syeikh Ja'far.

3. On His Birth

Islamic historians have different versions about the place of birth of Tuan Minal, as the following summaries:

1) He was born in kampong Bandang Bendang\(^1\) around 1820 or 1910. He died in the age of 85-95 (Al-Fatany, 2009).
2) He came from Kampung Anakru\(^2\), Bandar Patani (Shaghir, n.d.)
3) He was born in Mecca when his parents performed hajj in 1830 (Manaha, 1998).
4) He was from kampong Kerisik\(^3\) or kampong Anakru (Mustafa, 1991).

However, there is no clear evidence about his exact birth day. But one would at least conclude that Syeikh Tuan Minal was born in the 19\(^{th}\) century and came alternatively from Kampung Bendang Bandang or kampong Anakru or in Mecca. The information comes from Tuan Guru Haji Yusuf al-Bandary's accounts, a grand children of syeikh Tuan Minal who has conducted a study on the biography form Tuan Minal's ancestors in Patani Thailand and Pinang Island in Malaysia (Mustafa, 1991). The author has also information from his descendant in Kampung Permatang Sungai Dua, Seberang Peral, Pinang Island who assert the information from Tuan Guru haji Yusuf al-Banday for his studies of Tuan Minal ancestors (Muhammad, 2013).

Those five children are from Hajah Maryam. He has two sons from the other two wifes, namely:

Passing his second lesson in pondok, he went to Pulau Pinang Malaysia. Finally he went to Mekka with the other two ulama Syaikh wan Muhammad Zain and Syeikh wan Abdul Kadir (Al-Fatany, 2009). In Mekka he studied in various ulama both Arabian and Patani (Mustafa, 1991).

4The name of kampong Bendang Daya, the word Bendang, the place to put padi (rice), and Daya means: power. The planted Padi by people of kampong can support and supply for students in pondok. Bendang Daya, located in Sena region (W. M. S. Abdullah, 1999).
8. Personality And Famous

The past ulama had achieved a great ulama position as with the Syeikh Tual Minal. He had a firm thinking and coming from Patani Ulama. Though he had less attention compare to the other ulama, his status is as similar as Syeikh Dawud al-Fatany, Syeikh Nik Mat Keck al_fatany, Syeikh Ahmad al-Fatany for his skills that are:

a. Write “Kasypul litham an Asilatil anam” as the comprehensip fiq book ini the Jawi Language.

b. Reformer on the recent issues in society as what he write about smoking in “Tabassamul Syaribin”, retaling to fidyah and fasting in the Hahafi school (Shaghir, n.d.).

c. In his book, Syeikh Tuan Minal is betittle as “al-Alim al-Allamah al-Mudaqqiq al-Fahhamah Sirajul Islam wa Din” and in the other book he is called as “ al-Alim al-Allamah al-Tahir al-Fahhamah and “ al-Alim al-Fadhil wal Hibrl Kamil”. Those are the name representing his gretness on science as the ulama of the time (Al-Fatany, 1999).

With his metilicious, wide range of knowledge and brave can be the reason for writing his history as Tok Guru Alim Ulama in developing Islamic civilization.

9. Aqidah And School

From the advance of Islam to the area, people were intrduced to various ahl-sunnah wal Jamaah teaching in fiqh from Syafii School. From the books of Patani Ulama in 18 to 19 century, it is clear that the Ahlu Sunnah and Syafii school was the dominant teaching at that time in South Thailand and the region (Lawi, 2005).

Syeikh Tuan Minal was one of the Ulama that belonged to those tradition of Syafii School but not the one whose thoughts were accused to taqlid (total follower) by some of the opponent of the schools (Shaghir, n.d.). it was proved by his book “ Aqidah al-Najin fi Ilm Usuluddin” syarah from “matan Ummul Barahin” by syeikh Muhammad bin Yusuf al_Sanusy about Asyariayah teachings. In addition to that, Syeikh Tuan Minal specifically discussed about twenty character of Allah in his book “ Miftahul Murid Fil Ilm Tauhid”.

From the point of view of fiqh school, he was Safiian as best reflected in his work on fiqih namely “ Kasful Litham an As’ilatil Anam” (Al-Fataniy, n.d.). Based on his books, he was called as Zainal
Abidin al-Fatany al-Syafi’I (Al-Fataniy, n.d.). For his syafi schools, he was admitted his view on his book as he wrote a book on Syafii school (Al-Fataniy, n.d.).

10. Place And Date Of His Death

Tuan Guru Yusuf al-Bandary as the grand children of Syeikh Tuan Minal writes that his grand father was passed away in Mekka after sometime staying at kampong Sungai Dua, Seberang perai, Pulau Pinang Malaysia (Mustafa, 1991). When Ahmad Fathy argues that Syeikh Tuan Minal was Death in Sungai Dua, Seberang Perai Pulau Pinang, but his argument is not well supported (Al-Fatany, 2009). The information about his death was jotted down on the Aqidah an-Najin in second edition as follow”.

“Huquq al-Taba Mahfuzah li nahi al-Muaallif al-Fadhil al-Syeikh Omar bin al-Marhum Syeikh Zainal Abidin al-Fatany fala yasughu li ahad Taba’ah bighairi iznhi wa ridhahu...the meaning: copy right of the book is belonging to the son of the author, Omar bin al-Marhum Zainal Abidin al-Fatany, it is forbidden to copy and printed whithout his consent”.

Based on this publication, it can be understood that date of publication is 17 Zulkaidah 1323 H. (Oktober 16, 1914) Syeikh Tuan Minal had passed away as in the title al-Marhum. If we compare to the firts edition of book “ Miftah al Murid fi Ilm al_tauhid dated 1330 H/ 1912 M. Matbaah al-Tarqy al Majidiah al-Ustmaniah, Makkah, we still can found the name of the author without betittled by al-marhum. It is evident to be convince of the date of his death at least in the fist of 1913 as we consider how to rearrange the texts (Al-Fatany, 2009).

11. Contribution Of Syeikh Tuan Minal In Works

Syeikh Tuan Minal produced various works as follow:

a. Kasful Litham an As-iliatil Amal
