JOURNAL AGRO
COMPETING INTERESTS FORM
(TO BE COMPLETED BY EACH AUTHOR)

In the transparency prominence to aid the readers to notice of potential bias and to protect the authors, Journal Agro calls for all named authors submitting manuscripts to declare competing interests. Competing interests are defined as potential impacts that may undermine the objectivity, integrity or perceived interest conflict of a publication. The interactions occurring within 5 years before the submission date of an article are considered pertinent.

Competing Interests of Author:

Financial

(We do not require the authors to reveal the monetary value)

- Funding Sources: Financial support for research : salaries, equipment, supplies, travel reimbursement.
- Employment: Employment while involved in this research, present or anticipated employment by any organization that may gain or lose financially through publication of this paper.
- Personal Financial Interests: Stocks or shares in or ownership of companies affected by publication of this research, consulting fees/remuneration, royalties, from organizations which may profit or lose as a result of publication, patents or patent applications whose value and integrity may be affected due to publication.

Institutional Competing Interests

Are you aware that your academic institution or employment has a financial interest in or a financial conflict with the subject matter or materials discussed in this manuscript? Yes No
